6-8/2005 Villanova University Villanova, PA
Undergraduate Level Coursework
Summer 2005: Psychology of Personality
Summer 2005: Intermediate Italian

9/2004 Honors College Stanford, CA
1-4/2004 Stanford Overseas Program Oxford, England
9-12/2003 Stanford Overseas Program Florence, Italy

HONORS AND MEMBERSHIPS

2004- Member of Cap and Gown, Stanford University's Women's Honors
Society

2006- Member of the Society for Psychotherapy Research

2009-2011 Provost Fellowship, Drexel University

AD HOC REVIEWER

2007- 2008 *Journal of Clinical Psychology*

CERTIFICATIONS AND RELEVANT TRAINING

2004 CPR for the Professional Rescuer and Community First Aid and Safety

2005 HIPAA and Research Ethics Training – Stanford University

2005 Peer Counseling Training and Certification for Stanford's Bridge Peer
Counseling Center - Stanford University

2005 Mediation Training for Santa Clara County Court System - Stanford
University

2006 Patient Oriented Research Certification – University of Pennsylvania
2006 HIPAA Training – University of Pennsylvania
2007 Hamilton Rating Scale for Depression (HAM-D) training - University of Pennsylvania
2007 Structured Clinical Interview for DSM-IV Axis 1 Disorders (SCID-I) training - University of Pennsylvania
2008 Domestic violence/intake telephone counselor training - Women’s Law Project of Philadelphia
2008-2009 Yoga & Ayurveda Teacher Training Certification at the 200 & 500 Hour Levels – Yoga on Main, Philadelphia, PA

SPECIAL SKILLS

- Proficient with SPSS, HTML and web page design, MSExcel, MSAccess, MSPowerPoint, EndNote, TitleExpress, iMovie, Cubase
- Intermediate level of fluency in French and Italian
- Familiarity with Hebrew

RESEARCH EXPERIENCE

7/2006- 5/2008

Research Assistant

Supervisor: Paul Crits-Christoph, Ph.D.
Center for Psychotherapy Research
Department of Psychiatry
University of Pennsylvania, Philadelphia, PA

Primary Study Involvement

The Process of Group Therapy for Cocaine Dependence

NIDA funded grant (R01-DA018935)
University of Pennsylvania
PI: Paul Crits-Christoph, Ph.D.

Combined Treatment for Generalized Anxiety Disorder (GAD)

NIMH funded grant (R34-MH072678)
University of Pennsylvania
PI: Paul Crits-Christoph, Ph.D.

Secondary Study Involvement

Patient Feedback Effectiveness Study

NIDA funded grant (R01-DA020799)
University of Pennsylvania
PI: Paul Crits-Christoph, Ph.D.

Psychotherapy for Major Depression in the Community

NIMH funded grant (R24-MH070698)
University of Pennsylvania
PI: Paul Crits-Christoph, Ph.D.

Supportive Expressive Therapy Versus Treatment as Usual for Depression in the Community

NIMH funded grant (K01-MH63149)

University of Pennsylvania
PI: Mary Beth Connolly Gibbons, Ph.D.

General Research Responsibilities

- Institutional Review Board (IRB) correspondence for multiple studies, regarding protocol amendments, violations, serious adverse events, annual renewals, and progress reports
- Hiring and managing of 6-8 undergraduate students at any given time- including the training of these students, monitoring their progress on data entry tasks, the coding of videos, administrative tasks, and literature reviews
- Trained by doctoral-level psychologist to perform independent evaluations of depression with research participants at a community mental health center, that include the Hamilton Rating Scale for Depression (HAM-D), and the Structured Clinical Interview for the DSM-IV Axis 1 Disorders (SCID-I)
- Management of study regulatory binders, participant logs, informed consent form logs, literature pertaining to various projects, study funds and monthly budget reports, participant compensation, supply ordering
- Coordinating informed consent meetings and obtaining informed consent of study participants; coordinating psychotherapy treatment sessions of study participants
- Monitoring the transfer of digital files of therapy sessions between our study therapists and study supervisor, and archiving digital files of therapy sessions for our data management unit
- Data collection, database construction, data entry and checking, data analysis, interpretation of findings, composition of outcome reports
- Correspondence and on-site training with multiple sites for our Patient Feedback project
- Literature searches, literature reviews, manuscript preparation, grant writing, and grant submission preparation

8/2005-8/2006

Research Assistant

Supervisor: Dr. Rebecka Peebles, M.D.

The Weight Lab

Clinic of Adolescent Medicine

Division of Pediatrics

Lucile Packard Children's Hospital/Stanford University School of
Medicine, Mountain View, CA

- Reviewed an assortment of clinical chart and lab information of adolescent eating disordered patients to update patient database
- Trained in data entry, use of SPSS software, background research and literature review, data analysis and presentation

- Participated in weekly research meetings to present and discuss results, current eating disorder research, and to receive additional training
- Shadowed Dr. Peebles monthly on inpatient comprehensive care unit as she evaluated and treated eating disordered patients
- Conducted independent study under Dr. Peebles examining the relationship between histories of childhood abuse, eating disordered behaviors, and substance use
- Reviewed patient chart information to write case summaries for insurance companies to fund patient's gastric bypass surgeries, and long-term in-patient treatment programs

8/2005-6/2006

Research Assistant

Supervisors: Dr. James Gross, Ph.D., Emma Seppala, M.A
 Psychophysiological Lab
 Stanford University, Department of Psychology
 Stanford, CA

- Worked on study pertaining to empathy and emotion regulation
- Recruited study participants
- Administered study tasks and questionnaires to subjects
- Participated in data entry and analysis, literature searches, preparing stimuli for projects, field research, subject scheduling

8-10/2005

Research Assistant

Supervisor: Dr. Ian Gottlieb, Ph.D.
 Mood and Anxiety Disorders Lab
 Department of Psychology
 Stanford University, Stanford, CA

- Data entry for Information-Processing Study and Study on Intergenerational Transmission of Psychopathology
- Coordinated assessments for mother-daughter dyadic participants

1-6/2005

Marketing Research Intern

Skystream Networks
 Sunnyvale, California

- Developed customer targeting and segmentation profiles for Telco and satellite markets
- Analyzed customer research, industry trends, competitive intelligence reports
- Coordinated and planned major tradeshow
- Distributed minutes from weekly sales meetings

6-8/2002

International Business Intern

Department of Human Resources, Marketing, and Sales

Cray Valley Division of AltaFina Elf

Paris, France

- Analyzed and tabulated intra-European and Europe-Asia inventory data on sales and trading
- Revised database and developed a systemized method for compiling sales information
- Improved French language skills by participating in bi-weekly administrative meetings

ORIGINAL PAPERS IN REFEREED JOURNALS

Crits-Christoph, P., Connolly Gibbons, M.B., Gallop, R., Ring-Kurtz, S., Worley, M., **Present, J.**, et al. (2008). Supportive-expressive psychodynamic therapy for cocaine dependence: a closer look. *Psychoanalytic Psychology*, 25, 483-498.

Present, J., Gibbons, M.B., Hearon, B., Ring-Kurtz, S., Worley, M., & Crits-Christoph, P. (2008). Sudden gains in the treatment of generalized anxiety disorder. *Journal of Clinical Psychology*, 64, 119-126.

Ring-Kurtz, S., Connolly Gibbons, M.B., Kurtz, J., Gallop, R., **Present, J.**, & Crits-Christoph, P. (in press). Development and initial validation of a multi-domain self-report measure of work functioning. *Journal of Nervous and Mental Disease*.
