

DRIVING & ACQUIRED BRAIN INJURY

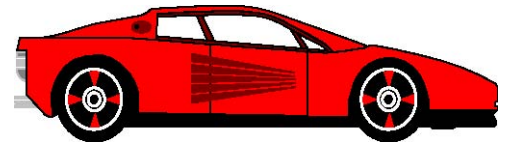

RESEARCH PARTICIPANTS WANTED!!

Drexel University is conducting a research study examining driving using **Virtual Reality (VR)** and is in search of people to participate

IF YOU ARE:

- between the ages of 18 and 60
- have a valid driver's license
- have had a ABI

.....and you would like to participate in a driving with Virtual Reality study.....

YOU SHOULD KNOW:

- Participation in this study will **not** affect your driving status.
- All results are confidential
- You may be compensated up to \$120 for your time and participation

WHAT WILL I HAVE TO DO?

- Come in for 3 visits (lasts about 3-4 hours each)
- During these visits, you will:
 - Complete some brief paper and pencil tasks
 - Complete brief computer vision tests
 - Complete a **Virtual Reality** driving task
 - Complete a behind-the-wheel drive in a dual-control

HOW TO PARTICIPATE:
