INT. OSCAR’S APARTMENT- BEDROOM- NIGHT

We open on an expensive looking flip cellphone sitting on a dresser. Next to it, a large zip lock bag of marijuana. We stay here.

OSCAR (O.S.)
What’s your resolution?

SOPHINA (O.S.)
I’m gonna cut carbs.
OSCAR (O.S.)
SOPHINA (O.S)
FUCK YOU... You just gotta help me stick to it. It only takes 30 days to form a habit. Then it becomes second nature.

OSCAR (O.S.)
Really? Who told you that?

SOPHINA (O.S.)
... Oprah

Oscar laughs hard at this.

SOPHINA (CONT’D)
What’s yours.

OSCAR
I’m gonna quit selling trees.

The PHONE VIBRATES and RINGS “MARCUS CALLING” shows on the outer screen.

Oscar’s moves towards the cellphone.

SOPHINA (O.S.)

Oscar stops in his tracks.

SOPHINA (O.S.) (CONT’D)
Don’t go out there tonight, stay home.

(CONTINUED)
OSCAR (O.S.)
You gonna give me a reason to?

Sophina doesn’t answer. The phone rings again. Oscar’s hand quickly picks it up and flips it open. We follow the phone to his face and we see him for the first time, a 22 year old Black man with a warm smile.

OSCAR (CONT’D)
(into phone)
Aye bruh it’s bad tonight. I gotta catch you tomorrow.

He closes it before the guy on the other end can respond. He takes the phone with him as he climbs back into bed with SOPHINA MESA, a curvy 24 year old Mexican American woman.

OSCAR (CONT’D)
Look, I’m not going out, you happy now?

Sophina nods. Oscar moves closer to her and kisses her on her neck. She kisses him back a bit, then scoots away.

Oscar kisses her again. Puts his hand in her hair.

SOPHINA
Osc. Osc, hold up.

Oscar stops. Sophina scoots away even further.
OSCAR
Man, wussup? I been home hella long...

SOPHINA
I don’t know...Every time you touch me, I can’t help to think about how you was touchin that Bitch.

Oscar shakes his head at this, sighs.

SOPHINA (CONT’D)
You know what? You right, go.

OSCAR
What I gotta do? I’m here, right now. I fucked up one time, alright?

SOPHINA
No, you fucking got caught, one time. You gonna sit here and tell me that was the first time you kicked it with that Bitch. Never seen her before that huh?

OSCAR
Look I’m done with that shit. All I want is you and T, forever.

Sophina looks at him, searching for the truth in his eyes.

SOPHINA
What you mean, forever?

OSCAR
Let me show you.

Oscar kisses her, moves in. Sophina scoots away from him.

CHILD’S VOICE (O.S.)
Daddy.

Oscar looks at Sophina.

SOPHINA
What? She’s askin for you.
OSCAR
(to child)
Hold on, T.

Oscar jumps up and grabs the bag of weed off of the dresser and hides it in the closet.

He rushes over and opens the door where we see TATIANA GRANT, a cute 4 year old girl, standing wearing footie pajamas.

TATIANA
I can’t sleep...

Before Tatiana can even finish, Oscar has her in his arms. He brings her over to the bed and places her next to Sophina.

OSCAR
You want to sleep in here with Mommy and Daddy?

Tatiana nods.

SOPHINA
You know better than that T.
(to Oscar)
What time is it?

Oscar picks up his phone and looks at it.

OSCAR
Damn, it’s after midnight.

He opens his phone up. Presses compose text message (as he types the message, the words appear as graphics across the screen like Sub Titles)

TO MOM:
HAPPY BIRTHDAY!!! LOVE YOU!!!

Oscar sends the text off. He hooks his phone up to the charger and hits the light switch, leaving us in darkness.

TATIANA
Daddy.

OSCAR
Wussup, baby?

TATIANA

TATIANA
Mommy can I have two of the fruit snacks today?

SOPHINA
No, T. You can take an extra apple if you want.

TATIANA
But mommy I-

SOPHINA
Don’t argue T.

Tatiana pouts. Sophina downs a cup full of orange juice, grabs both lunch bags, Tatiana, and heads for the door.

SOPHINA (CONT’D)

OSCAR
We got enough to get yall there.

Oscar and Tatiana walk to the downstairs entrance of a two story house. A picture of an apple tree is painted next to the door. Oscar squats down to her level and brushes down a frizz in her hair. He looks back at the car.

We see that Sophina is adjusting her make up in the fold down mirror.

Oscar turns to Tatiana. He then takes her hand, and places something inside of it.

Tatiana looks down into her hand and we see that it is a small bag of fruit snacks. She looks up at Oscar with a bright eyed expression. But Oscar quickly places his finger over his lips.

Tatiana nods in agreement, trying to hold back a huge smile. She gives him a swift kiss on the cheek. He stands up and knocks on the front door.

MRS. STACY a motherly looking Black woman in her 50’s opens the door.

OSCAR
See? Told you we'd make it. The light aint even on yet.

She looks at the dashboard where there is a PICTURE of Oscar holding Tatiana tucked in the glass. The fuel gage sits almost under E, but the light still isn’t on.

She stares at the store entrance.

SOPHINA
You gonna go home and sleep, right?

OSCAR
Naw, Imma go up to the job. Get some stuff for tonight.

SOPHINA
Ugh. I’d rather die than come here on my day off.

(beat)

What time we supposed to be at your grandma’s?

OSCAR
Prolly like seven.

SOPHINA
We gonna go to Frisco again? Catch the fireworks?

Oscar nods. Sophina smiles at the idea of Frisco, for a beat.

Yes, and can you pick some... are you driving?

OSCAR

Oscar sighs... this is nothing new.

Cato sees Oscar and smiles brightly. He takes a pile of fish off the scale, bags it, ands it to an older BLACK WOMAN. He takes off his clear glove and slaps hands with Oscar over the counter.

CATO

OSCAR

Oscar sees something out of the corner of his eye. He motions his head for Cato to look. Cato turns and sees-

KATIE, a White girl in her mid 20’s, playing with her iPhone while waiting for help. Cato quickly makes his way over.

CATO
You ready?

KATIE
Uh, yeah... I want to get a pound of, wait... Can I see what your sole looks like?

CATO
Sole?

Cato takes a sidestep over to his left and motions to a pile of fish.

KATIE
Yeah, no, wait. Your catfish. Let me see what that looks like....

Cato points to the catfish. Katie looks at it, then looks down to her phone.

KATIE (CONT’D)
Okay but, I want to fry it. Like a fish fry. Are these the ones you can fry?

Cato gives her an "are you serious?" look.

OSCAR
Let me get three Dungeness.

Cato nods and walks over to the crab.

OSCAR (CONT’D)
Fat ones too, bruh.

CATO

Oscar turns to Katie.

OSCAR
Your family having a fish fry for New Years or something?

Katie looks up from her phone, a bit caught off guard.

KATIE
Ahh, yeah. Something like that.

OSCAR
It’s cool. I work here.

She looks at Oscar suspiciously.

OSCAR (CONT’D)
It’s my day off.

Katie smiles nervously. Looks at Cato who nods at Katie in approval.
KATIE
Oh, okay.
(beat)
Well, I'm cooking dinner tonight for my friend, before we go to the city. And he really likes fried fish, like southern style. And I maybe lied a bit, and said that I know how to cook like that.

Oscar laughs at this. Katie shakes her head.

OSCAR
Is he black?

KATIE
What? Who?

OSCAR
Your boyfriend.

Katie blushes.

KATIE
He's white. But he knows a lot of black people... He’s not my boyfriend either...

Oscar watches her with a look of pity. Suddenly, an idea flashes before his eyes.

He pulls out his cellphone, quickly dials a number, and holds it to his ear.

GRANDMA BONNIE

Oscar looks over and sees, EMI, a thirtysomething Hispanic man wearing a white collared shirt and a name tag. He checks the shelves with a barcode scanning device.

Oscar slowly heads over.

OSCAR
Good morning, Emi.

EMI
Oscar, what’s going on??

OSCAR
Had to grab some stuff for my Mom’s birthday.

EMI

OSCAR
Look, I was going through some shit, trying to get back on my feet. But I need this job man. I’ll show up early every day. You can start me back off with one shift a week or whatever. I’m here. You can work me 40 hours a week and pay me for 20. I’m here.

EMI
Oscar, dude. I hired somebody else. For me to hire you back, that means I have to let someone else go. Someone with no felonies. Who’s never showed up late once. I like you man, but I can’t do that. I’m sorry. If something else opens up, maybe I’ll let you know. Take care of yourself.

Emi walks away. Oscar watches him.

KATIE (O.S.)
Hey!

Oscar turns around to find Katie, holding out his phone for him to take. Oscar looks at her basket, it’s now full of fish and supplies.

KATIE (CONT’D)

Oscar’s nods. He walks back over to Cato, who is weighing fish for another CUSTOMER. He spots Oscar.

CATO
How it go?

Oscar smiles wide and nods. He reaches over the counter and grabs the bag of crabs, then bumps fists with Cato.

CATO (CONT’D)

INT. OSCAR’S BEDROOM

Oscar quickly walks over to his closet and grabs the bag of weed. He neatens up the room a bit, and takes off.

INT. HALLMARK STORE- DAY

The store is small and brightly lit. Oscar is reading a card from off the BIRTHDAY FOR MOTHER rack.

We see that on the card is a picture of a black woman walking on the beach holding her son’s hand. Inscribed over it are the words to the religious poem “Footsteps” by Anonymous.

Oscar’s eyes quickly scan the poem: he’s read it before. Oscar opens the card, and looks inside for a beat. He looks up, moved by the words. He stares off into space.

INT. VISITING ROOM- SAN QUENTIN CORRECTIONAL FACILITY- TEN MONTHS EARLIER

We look through a foggy window at Wanda sitting at one of several large wooden tables with plastic chairs placed around them. There are a few VISITORS already sitting at tables with inmates. Several Corrections Officers stand by.

We see Oscar, shirtless, arms behind his head, is looking through the glass window of the search room. A Corrections Officer is conducting a search. Oscar’s face is bruised under his left eye, and there is a small white bandage strip on the left side of his face. He turns around, bends over and coughs. He turns back around, and the officer hands him his Blue shirt and pants. Oscar puts them on and-

BUZZ. The door opens, and Oscar walks through the large room to Wanda’s table. As he approaches she stands up.

OSCAR

Hey Ma.

Oscar gives her a hug, leaning across the table.

OSCAR
“Candyland”?

Wanda nods. Laughing a bit more now.

OSCAR (CONT'D)
Yall let her win too, I bet.

WANDA
Of course.
OSCAR
Yall hella weak for that. She gets
no easy victories with me around.

Oscar smiles and notices Wanda is smiling about something on
her mind.

OSCAR (CONT'D)
What?

WANDA
Do you remember that microwave
popcorn you bought a while back?

OSCAR
Yeah, the kettle corn. Hella good.

WANDA
Yes, kettle corn. I popped some of
that for us, and I was putting it
into a bowl. Tatiana’s looking up
at me, like she wants something.

Wanda starts to chuckle a bit again.

OSCAR
C’mon. What she say?

WANDA
She looks up at me and
says,"Grandma, do we have any dark
butter?"

Oscar looks at Wanda with a confused look.

OSCAR
Dark butter?

WANDA
Yeah, I'm thinking she saw “Food
Network” or something. So I say,
"what's dark butter sweetheart?"
She says, "When Daddy took me to
see WALL.E he asked for light
butter, so I want to try some dark
butter this time."

Oscar looks at Wanda with a bright eyed expression.

OSCAR
She is gettin way too smart.

Another BUZZ from the door is heard.
As the two share a moment, DANIEL CALE, a stocky white inmate in his early 30's walks past Oscar and Wanda's table. He has a large, square bandage under his left eye.

CALE
(just loud enough for Oscar to hear)
This moms right here?

Anger flashes over Oscar's eyes.

CALE (CONT’D)
She a snitch to?

OSCAR
What? What the Fuck you say about my Mom bruh?

WANDA
Oscar!

CALE
Fuck you and that bitch.

OSCAR
You tough in here with these guards huh?

Two Corrections Officers move quickly over to Oscar's table. Cale, continues to walk towards a the table with the Woman and the Frizzy Haired Girl.

CORRECTIONS OFFICER 1
Is there a problem here?

OSCAR
Naw, we good.

CALE
That's my best friend right there.

Cale flashes a mischievous smile.

The Corrections Officer comes over and stands between the two.

Oscar watches as Cale sits down across from the woman, who holds the baby. Cale smiles at the woman, and makes coochie coo faces at the baby.
Woman passes the child to Cale over the table.

Oscar looks on with malice.

    WANDA
    Oscar, Calm down.

Wanda's voice snaps the anger off of his face.

He looks back to Wanda, and his anger subsides.

    WANDA (CONT'D)
    What happened to your face?

    OSCAR
    Dark butter huh? She always listening.

Wanda stares at Oscar.

    OSCAR (CONT'D)
    She too smart for her own good man.
The preschool said we should think about starting her in school early.
Phina tell you that?

Wanda doesn't respond.

    OSCAR (CONT'D)
    Yeah, we're gonna put her in private school. I was lookin at St.
Bede the other day. It's this other school that starts them off learning Spanish, then it gradually gets them back going on English.
It's like a new thing-

    WANDA
    I'm not coming to see you anymore.

Oscar stops in his tracks.

    OSCAR
    What you mean?

    WANDA
    I'm not coming here, to these visits anymore. This is the last time.
OSCAR
I know I know I know. This is my last time too. I told you that. I ain't goin down no more.

WANDA
You want to keep putting Sophina through this... go ahead. But Tatiana doesn’t deserve this. She didn’t have a choice.

Oscar takes this in.

OSCAR
She too young to know what's going on right now.

WANDA
I guess that’s why she asked me why you love taking your vacations more than being with her.

Oscar cut his eyes from Wanda.

OSCAR
She aint say that.

WANDA
So I'm the liar now.

Oscar takes a beat to think about this.

OSCAR
Tell her that I love her more than anything in the world. And that I-
WANDA
Tell her yourself. Next time you call. Tell your daughter how much you love her over the phone. Or better yet, just let her come visit you?

OSCAR
I don't want her to see me like this.

WANDA
Like what?

OSCAR
In a box.

WANDA
But this is how you are right now.

OSCAR
I don't want her to be exposed to this.

WANDA
You’ve already exposed her to it!

Wanda leans back in her chair- she’s done.

OSCAR
So you really not gonna visit me no more? I got four more months!!

Oscar leans in.

OSCAR (CONT’D)
(whispering)
Ma, this shit aint like Rita. It’s crazy in here. I don’t know if I can make it without you seeing you that long.

WANDA
I love you Oscar, I’m praying for you, and I'll see you when you get home.

Wanda scoots back in her chair, stands up, and heads towards the exit.
CONTINUED:

Oscar remains seated in his chair.

OSCAR
Ma, hold up. Let me get a hug.

Wanda continues to walk. Oscar stands up, and follows behind Wanda. His feet pass a yellow line.

OSCAR (CONT'D)
Ma!

Wanda continues on, not turning around.

OSCAR (CONT'D)
Ma! Hold up!

The C.O. sees this.

CORRECTIONS OFFICER 1
Grant, back in your assigned visiting area.

Oscar ignores him, and continues to follow his Mom.

The C.O. hits a button on his walkie, and motions to the other C.O.’s. They quickly move towards Oscar and attempt to grab him.

OSCAR
Get the fuck off me!

Oscar jerks away.

OSCAR (CONT’D)
Ma!

The C.O.’s grab Oscar and lift him up off of the ground.

OSCAR (CONT’D)
Get off me! Ma! Ma!

Wanda continues on.
OSCAR (CONT'D)

Ma. Ma! Hold up!
(to C.O.'s)
Let me just give her a hug right
quick before she leave!

We pull back with Wanda as she walks away, trying to hide her
pain. Another Corrections Officer sprints past her towards
Oscar, who we can still see in the distance.

OSCAR (CONT'D)

Ma! Ma!
(to the C.O.s)
Get the fuck off me!
(to Wanda)
Ma! Ma!

Oscar looks on at Wanda as she leaves, growing small in the
distance.

INT. HALLMARK STORE- DAY- PRESENT

Oscar still stares off into space, moved by this memory. He
snaps out of it, heads towards the register with the cards in
hand.

INT. SOPHINA’S CAR- DAY

Oscar starts the car up, looks at his dashboard. He sees that
the fuel light is on.
EXT. GAS STATION- DAY

Oscar pumps his gas. He looks at a poster of Obama that reads CHANGE, posted on the gas pump. He looks across the lot and notices a Zales engagement ring poster.

He pulls out his phone. Starts to text.

TO SOPHINA:
WANT ME TO COME UP THERE FOR YOUR LUNCH BREAK?

He sends it off. Closes, waits for a bit. It buzzes. He opens it.

FROM SOPHINA:
ALREADY TOOK IT.

Oscar puts his phone back into his pocket. He turns and begins to pump his gas. He sets the handle to automatically pump, and looks up and notices something.
We see it is a gnarly-looking male PIT BULL sniffing around a few feet from Oscar’s tires. It looks to be maybe 3 or 4 years old. Oscar whistles at the dog and calls him over.

Oscar pets him on the head, we see its ears are a bit scarred, but it has beautiful brown eyes. He feels around the dog’s neck—no collar. Oscar looks around for an owner for a beat while the dog licks his hand.

CLICK—Oscar’s gas tank is full. He turns away from the dog, places the pump back on the base, and screws his fuel cap back in. He looks back to where the dog was and doesn’t see him. He scans the block and panic strikes his face. He takes off running towards the street.

OSCAR
Shit! No, No, No Stop!

SCHREECH... BAM! We hear it before we see it. A sickening sound. An animal YELPS, a car SPEEDS OFF. Oscar runs into the street chasing a car going too fast for us to see.

OSCAR (CONT’D)
(at the car)
Hey! Stop you bitch ass
Muthafucka!!

He stops, turns around, and runs over to something lying in the street. It’s the dog, and he’s in bad shape. Oscar picks the dog up out of the street, and places him on the sidewalk.

OSCAR (CONT’D)
(whispering)
Come’on boy. Come on.

The dog’s breathing grows more struggled.

OSCAR (CONT’D)
(to himself)
Shit.
(shouting)
Somebody help! Somebody fucking Help!

(continuing)
Oscar continues to pet his head. The dog starts to violently shake...

He becomes unnaturally still.

Oscar stares at the Dog for a long beat, shaken up by this. He looks around, no one seems to have noticed.

He bends down, closes the Dog’s eyes, and heads for his car.

EXT. POINT EMERY- PARKING LOT- DAY

It is an empty parking lot next to a beautiful view of the Bay. Oscar’s car pulls up. After a short beat, a Lexus pulls up along side of it. Marcus hops out of the Lexus and walks over to Oscar’s car.

INT. SOPHINA’S CAR

Oscar leans over and opens the passenger side door for Marcus to get in.

MARCUS

Shit bruh I didn’t think we was ever gonna link up. You been good?

Oscar stares out of the window.

OSCAR

I got good news and bad news my niggy.

MARCUS

Awww naw, Osc bruh, don’t tell me you aint got it.

OSCAR

Sold it to a white boy bruh.

MARCUS

Awww Osc. For how much?

OSCAR

Gave me a rack for it.

Marcus makes a face.
CONTINUED:

MARCUS
No way I was goin that high. Shit bruh. I needed that though...
What’s the good news?

Oscar turns to Marcus hands him a brown pre-rolled joint.

OSCAR
For your troubles.

MARCUS
Right on Osc bruh.

He pulls out a wad of money.

OSCAR
It’s good bruh. Take it.

MARCUS
You sure?

Oscar nods.

MARCUS (CONT’D)
Right on bruh.

Marcus pulls out a lighter.

MARCUS (CONT’D)
Burn one with ya boy right quick.

Marcus lights up the joint, takes a hit, holds it out for Oscar, but Oscar just stares out of the Window.

OSCAR
I’m good, that’s all you bruh.

Marcus puts it back into his mouth.

MARCUS
Right on Osc, then bruh.

They slap hands, and Marcus gets out of the car. We hear him get into his car, and start his car up. Oscar waits for a beat. He then reaches under his seat and grabs something.

EXT. POINT EMERY- SHORELINE- DAY

Oscar walks out onto the shoreline, looking at the water. He looks around for a beat. He walks all the way out into the water. Standing on rocks.

(CONTINUED)
CONTINUED:

He looks over both shoulders, to make sure no one is watching. He then goes into his waistband and pulls out the Ziplock bag of weed. He squats down, opens the bag, and dumps it into the water. He watches as the green buds float off.

EXT. WALMART ENTRANCE- CONTINOUS

Oscar walks up to the heavily crowded store entrance. We see Sophina exiting holding a large cardboard cake box. Oscar takes it from her.
CONTINUED:

OSCAR  
What flavor did you get.  

SOPHINA  
Carrot cake.  

Oscar looks at the cake box.  

OSCAR  
Why you didn’t get ice cream?  

SOPHINA  
Cause it aint your birthday nigga.  

SOPHINA (CONT’D)  
Can you take me by my grandma’s house so I can get changed?  

JASON  
Yeah. You know it would be hella easier if you just had your stuff at my spot right. When you gonna move in.  

SOPHINA  
Probably when you stop having trees in the car before we pick up T.  

She gets into the car.  

OMITTED  

OMITTED
We follow Oscar as he turns the corner into a backyard full of toys and kids Tatiana’s age. Mrs. Stacey watches them, smiling, but with vigilant eyes. Tatiana spots Oscar and runs up and gives him a hug.

Oscar waves and smiles at Mrs. Stacey, who waves back. He walks over to the sign out sheet and grabs a pen.

(CONTINUED)
CONTINUED:

TATIANA
We played “Freeze Tag” today.

OSCAR
Oh yeah?

TATIANA
They couldn’t catch me.

Oscar looks up from the sign in sheet.

OSCAR
You think you’re faster than daddy?

Tatiana looks back at Oscar challengingly. Oscar looks at something behind Tatiana with concern.

OSCAR (CONT’D)
What’s that right there?

Tatiana takes the bait - the oldest trick in the book. Oscar takes off.

EXT. FIRST FRUIT LEARNING CENTER- DAY

Oscar is beating Tatiana to the car by a mile. Tatiana follows him laughing loudly.

TATIANA
You cheated!

INT. SOPHINA'S GRANDMOTHER'S HOUSE- KITCHEN- DAY

A small television sits next to the stove playing a Telenovella.

Looking at the episode from the kitchen doorway is MARIANA PANGELINA, Sophina's 65 year old grandmother. SIZZLING can be heard coming from the kitchen. The front door opens, and in walks Sophina, Oscar, and Tatiana.

TATIANA
Bisabuella!

MARIANA
Hola Tatiana!

Tatiana runs to Mariana and gives her a hug.

Oscar gives her a kiss on the cheek. Sophina gives her a hug. The three take a seat at the kitchen table.

(CONTINUED)
Mariana continues to cook.

SOPHINA
Grandma, can you watch T tonight?
We gonna go to Frisco.

Mariana shakes her head.

MARIANA
Ask your sister.

SOPHINA
But Rose got hella kids to watch.

MARIANA
But what’s the difference between
watching six kids, and watching
seven?

Sophina think about this.

MARIANA (CONT’D)
(to Tatiana)
Quieres pasar la noche con sus
primos?

Tatiana nods. Sophina sighs, pulls out her cell phone, and
heads out of the kitchen. Mariana turns to Oscar.

(CONTINUED)
MARIANA (CONT’D)
(to Oscar)
How’s work?

OSCAR
You know... it’s work.

MARIANA
Hmm.

Oscar thinks on this, exits the kitchen in the direction of Sophina. Only Tatiana is left at the table. Mariana smiles. At her. She puts some pollo on a fork, and takes it over to her.

INT. SOPHINA'S CHILDHOOD BEDROOM- MOMENTS LATER

As Oscar enters, we see Sophina is in her bra and panties, talking into her cellphone. She lays several different outfits out on the bed. Oscar closes the bedroom door, leans on it.

SOPHINA
(into phone)
Alright... We’ll be through there at like 10..

She hangs up her phone, and tosses it on the bed.

SOPHINA (CONT’D)
Rose gonna watch T.

She looks through the clothes on her bed and lifts up a checkered hoodie, puts it to her chest. Looks at herself in a full body mirror, sighs at her reflection.

SOPHINA (CONT’D)
What you think?

OSCAR
(disinterested)
It’s cool.

(CONTINUED)
Sophina turns around and looks at Oscar, senses something is eating at him. She puts the hoodie down, and walks over to him.

**SOPHINA**
You okay? You been hella weird today.

**OSCAR**
Naw, I’m smooth. Just a little tired.

Sophina’s not buying it.

**SOPHINA**
Osc. Wussup?

Oscar looks at her for a beat. Cuts his eyes.

**OSCAR**
(to himself)
Fuck it.
(to Sophina)
I lost my job.

Sophina looks at him like he’s speaking another language... for a long beat.

**SOPHINA**
What the fuck you mean? Did they lay you off?

Oscar doesn’t say anything.

**SOPHINA (CONT’D)**
They doing cutbacks or some shit?

**OSCAR**
I got fired.

**SOPHINA**
For what?

**OSCAR**
Showin up late. Missed a couple days when I had to get some money.

**SOPHINA**
They told you today?

Oscar waits a beat.

(CONTINUED)
CONTINUED:

OSCAR
Keep it real, they fired me two weeks ago.

 Sophina’s eyes get as wide as quarters.

OSCAR (CONT’D)
My bad-

SOPHINA
Don’t fucking my bad me Osc! What was you doin when you was pretending to go to work? You know what? I don’t even want to know.

OSCAR
I thought I was gonna be able to get my shit back.

 Sophina looks at him and shakes her head.

SOPHINA
(to herself)
You think life a fucking joke...
You think you’re gonna get fired and then somebody is gonna give you thier job back? What world do you live in?

OSCAR
Phina,

SOPHINA
You aint shit, you know that? You lie to me, you lie to your fucking daughter. You don’t give a fuck about us.

OSCAR
I didn’t have to tell you shit.
SOPHINA
So you would have just kept faking like you were going to work? And would have just been out bustin nocks? And doing whatever else, or WHOEVER else you do while I’m at work?

OSCAR
I thought you wanted the truth...
But you ain’t trying to hear that.

Sophina doesn’t know what to say to this.

SOPHINA
I want you to be honest with me. But off top. From the fucking jump. Not after you lie for two weeks get cornered, and don’t have a choice.

(beat)
What did you today. Hmm. I bet you sold that fucking zip.

OSCAR
I dumped it. I’m done with that shit. I’m tired. That’s what I’m trying to tell you. Thought I could start fresh today. But that shit aint working out.

A long beat.

SOPHINA
You threw it away?

Oscar nods.
SOPHINA (CONT’D)
You tossed a whole zip of weed. And you don’t have a job.

Oscar doesn’t say anything. He smiles at this.

SOPHINA (CONT’D)
Oh my God I could slap you right now.

Sophina hugs him, he doesn’t resist this time. Hugs her back.

SOPHINA (CONT’D)
What are you gonna do?

OSCAR
I don’t know? Something legal. Gonna see if my sister can hire me again, while I look. Maybe if I can just not fuck up, for 30 days.. Oprah said that’s all it takes to form a habit, right?

Sophina laughs, Oscar kisses her.

SOPHINA
Look at me.

Oscar looks at her closely.

SOPHINA (CONT’D)
You really done with that shit?

He nods.

SOPHINA (CONT’D)
You better be. Don’t make me have to do this shit alone, again. I don’t know if I can.

Oscar kisses her neck. Sophina reaches back and unhooks her bra. Oscar kisses her face, picks her up.
INT. SOPHINA'S GRANDMOTHER'S HOUSE- KITCHEN- DUSK

Mariana and Tatiana sit side by side at the table, spellbound by the Telenovella.
EXT. GRANDMA BONNIE’S HOUSE- PORCH- NIGHT

Oscar, with Tatiana sitting on his shoulders, and a bag of crabs in his hand, walks up to the porch of a modest house. Sophina stands at his side holding a cake. Oscar uses his key to open the door.

INT. GRANDMA BONNIE’S HOUSE- ENTRANCE- NIGHT

The three enter the house and walk through the house into the kitchen.

Wanda, wearing casual clothes now, fills up a pot with water. Grandma Bonnie washes a basin full of vegetables.

    OSCAR
    Happy Birthday!

Oscar takes Tatiana off her shoulders and sits her down. Everyone greets each other.

    WANDA
    Hey baby. You guys are just in time.

Oscar sits the crabs down on the counter next to the sink. He gives his mother a big bear hug. She smiles, hugs him back just as tight. Oscar lets go and moves on to his grandmother.

Sophina and Tatiana come give Wanda hugs.

    WANDA (CONT’D)
    Oh my god, you guys got a cake too?

Sophina blushes.

Everyone laughs at this... even Ceephus.

Wanda and Grandma Bonnie begin to take the groceries out of the plastic bag. Wanda pulls out two massive crabs. Looks in the bag and sees the third.

    WANDA (CONT’D)
    Osc. You know all I needed was two, you didn't have to spend so much money.

    OSCAR
    Don't trip, it wasn't that much.

Oscar turns from the kitchen into the den.
INT. GRANDMA BONNIE’S HOUSE– DEN– NIGHT

Two men in their 50’s sit down on the couch across from a TV playing ESPN. These are Oscar’s uncles DARYL and CEEPHUS JOHNSON. Oscar walks over to a recliner adjacent to them and pulls the Hallmark Bag out of his waistband. He sits down in the recliner and signs his Mom’s card.

OSCAR
Who you goin for in the Super Bowl
Unc?

Oscar watches, and waits for them to take the bait.

CEEPHUS
Steelers.

Daryl shakes his head at this.

DARYL
A Raiders fan, cheering for the
Steelers.

CEEPHUS
Black uniforms, black players,
black coach. Coach even has a black
wife. I’m going with the Steelers.

START MONTAGE

Wanda and Sophina clean the crab with brushes and different utensils. Grandma Bonnie starts up a roux in a large skillet.

Uncle Daryl makes a large pitcher of lemonade from concentrate. Sophina and Oscar pull out glasses, dishes, and utensils for everyone. Tatiana watches Oscar closely.
A large pot is placed atop the gas stove. The burner blazes under it, as Wanda drops the now clean crabs into the bucket.

She drops in the vegetables and begins to stir. Bowls are grabbed by everyone and they are filled up by Wanda, with white rice first, and then the brown gumbo is poured over it, along with large pieces of un-cracked crab.

Everyone eats their gumbo in the kitchen. Laughing talking. Wanda blows out the candles on her cake, cuts it, Hands out everyone a slice.

END MONTAGE

INT. GRANDMA BONNIE’S HOUSE- DEN- HOURS LATER

Everyone is finishing up their cake, it’s about half gone now. Oscar sits on the couch between Wanda and Sophina.

Ceephus and Daryl now sit in plush chairs with metal frames pulled up next to the coffee table. Grandma Bonnie sits in a recliner at the foot of the coffee table.

GRANDMA BONNIE
If somebody told me say twenty years ago, that I would live to see it happen, I'd have laughed in their face.

OSCAR
If somebody would have told me that two years ago I would have laughed in their face.

DARYL
And here we are. 2008 and its happened.

(CONTINUED)
CEEPHUS
But I think it’s a sign of the times. The country is in bad enough shape for them to hand it over to a black guy. Look, if Bush hadn't have messed the country up so bad. Would he have even had a shot?

DARYL
I think he still would have had a shot.

CEEPHUS
But would he have won though?

WANDA
Well, I’m happy the did win. If the country really is as messed up as you say, I think he’s our best chance of fixing it.
SOPHINA
I keep thinking about how much it means for T.

OSCAR
When I was coming up, Teachers used to love to tell me, "You can be the President of the United States."

WANDA
You'd make a great politician. You can talk your way out of anything.

Sophina and Oscar share a look.

OSCAR
But I'll never forget, in my fourth grade classroom we had this poster. It had all 40 some odd presidents on that thang. And I looked at all they faces. And it was all white dudes. At that point, I realized my teachers was lying to me.

(beat)
A part of me aint believed what no teacher has said to me since.

DARYL
Now there will be a black face on those posters.
GRANDMA BONNIE
Well let's let him get in there first.

WANDA
I know, I still feel like it’s just too good to be true.

CEEPHUS
What's so good about it?

DARYL
A black man, one of us has been elected president, fair and square.

Ceephus shakes his head at this.

CEEPHUS
But he's not one of us. He wasn’t affected by slavery.

Wanda has had enough of this. She stands up and starts to grab everyone’s plates. She heads into the kitchen to wash. Oscar watches her for a beat, then follows after her.
INT. GRANDMA BONNIE’S HOUSE- KITCHEN- MOMENTS LATER

Wanda stands over the sink washing the dishes. Oscar stands next to her, drying them.

WANDA (O.S.)
Thanks for your help tonight.

OSCAR
Oh, Come'on Ma, don't mention it.
You shouldn’t even be doing this.

WANDA
I enjoy washing dishes. It’s relaxing.

(CONTINUED)
Oscar rolls his eyes at this. She hands him another dish.

WANDA (CONT’D)
I really enjoyed having you here.
(beat)
You think it’s safe for me to get used to having you around?

OSCAR
I told you. I aint missin no more parties.

She looks at Oscar for a long beat, searching for the truth in his eyes. She finds it.

WANDA
You guys got plans for tonight?

OSCAR
Yeah, nothing major. Gonna meet up with Cato, Jack, Jason and couple other cats. Head out to the City.

WANDA
You guys gonna go OUT OUT?

OSCAR
Naw. We gonna keep it low key. Probably just catch the fireworks, and then roll around after that.

WANDA
Roll around?

OSCAR
Yeah, just chill, we'll be cool. Sophina's got work in the morning too.

WANDA
You guys gonna be drinking?
OSCAR
I'm sure they will. I'm not gonna be drinking.

Wanda looks at Oscar, not buying it. Oscar laughs.

WANDA
Why don't you catch BART out there?
That way you can drink and hang out, and not have to worry about anything.

OSCAR
Yeah we might catch BART.

WANDA
No traffic either. You know its gonna be crazy. Going and coming back.

OSCAR
Yeah, we might have to do it.

WANDA
Promise me, if you and your friends go, you'll catch the train.
(beat)
I'm serious.

OSCAR
Okay, I promise.

WANDA
Aight. Don't make me follow you guys to make sure... you remember Prom.

Oscar laughs at this so hard he has to sit the bowl. He pulls out his phone and starts to text.

TO CATO:
Let’s catch BART out there. Tell everybody to meet at South Hayward Station.

He presses send. He picks the dish back up, and dries it. His phone buzzes. He look at it.

FROM CATO:
Aight bet. We’ll see you there in minute.

Oscar walks up to Wanda.

    OSCAR
    Alright we out, Birthday Girl. Love you.

    WANDA
    Love you too, son. And Happy New Year.

Oscar gives her a big hug and kiss, then turns and leads his family out of the door. Wanda watches them, and shuts the door behind him.

INT. SOPHINA'S CAR- LATER

Oscar drives through Hayward in silence, turning his wheels. Tatiana watches out of the backseat passenger window with a solemn expression.

Sophina thinks about this. Shakes her head.

    SOPHINA
    (whispering as well)
    I want to go to the city... It’s been a minute since we been out together too.

TATIANA
But I don’t want you to go.

OSCAR
We’ll be back, in a few hours I promise.

TATIANA
But you should go to bed. You already brushed your teeth. Remember?

OSCAR
I know, I know. But me and Mommy promised our friends we would go and visit them. We’ll be back before you wake up, okay?

Oscar leans over and gives Tatiana a kiss on the cheek. He gets up and gets ready to leave.

TATIANA
Noo! Don’t go.

She grabs his arm. Tears well up in her eyes.

TATIANA (CONT’D)
I’m scared.

OSCAR
Scared of what?

TATIANA
I hear guns outside.

OSCAR
Those are just firecrackers. You’ll be safe inside.
TATIANA

INT. TRAUMA ROOM- MOMENTS LATER

We are close on Oscar as he lies on his back, unconscious breathing tubes are attached to his mouth. His chest rises up and down slowly, struggled.

SURGEONS, and PARAMEDICS move around Oscar.

The LEAD SURGEON, a tall, slim Black man in his 50’s, points to an object that lies just under Oscar's right clavicle, just under his skin.

LEAD SURGEON
It's here, its right beneath the skin.

CLOSE ON OSCAR’S CLAVICLE

The surgeon takes a scalpel and cuts into Oscar's skin, just above the protruding mass. Blood runs out, he presses down and pops out the bullet, that looks like a large metal mushroom. The surgeon examines it.

LEAD SURGEON (CONT’D)
Jesus. It's like it hit something solid. Bone wouldn't do this.

He places the bullet into an empty beaker atop a cart. He turns back to Oscar and begins to stitch up the incision. The Lead Surgeon looks at xrays of Oscar’s chest on a light board. Paramedic 2 stands over his shoulder.

PARAMEDIC 1
He was lying face down on the ground.

A Resident Surgeon points to a large dark cloud on the x-rays.

LEAD SURGEON
Right here, right lung looks to be what's causing the pulse problem.

CLOSE ON OSCAR’S CHEST
The Surgeon sticks a tube into the right side of Oscar's chest, and blood flows out of the tube uncontrollably. Spilling onto the floor.

LEAD SURGEON (CONT’D)
Shit, Shit, we gotta get him upstairs!

The medical staff sees this, and kicks their movements into high gear.

INT. OPERATING ROOM- SIMULTANEOUS
Oscar lies on the operating table, sedated. The Surgeons talk medical speak. They move with astounding quickness and precision. Lead Surgeon takes a large scalpel, and makes a 14 inch incision under Oscar's right nipple.

Blood rushes out, it's worse than they thought. It begins to hit the floor. A RESIDENT SURGEON reacts to this, and quickly grabs a large emesis basin. He puts it underneath the wound, catching the blood. Another Surgeon places a spreader into the wound, and opens it up.

The Lead surgeon looks inside of the incision. He lets his head down in frustration at what he sees.

LEAD SURGEON
His lung's gone. We gotta prep for removal.

INT. ICU NURSE’S STATION- NIGHT

The Nurse sits at the computer.

RECEPTIONIST
G-R-A-N-T?

Wanda nods.

RECEPTIONIST (CONT’D)
He's still in the operating room. Go to the ICU waiting room and someone will be out soon to let you know everything that's going on.

Wanda nods and walks over towards the chairs.

WANDA
(under her breath) Lord please let him be okay. Please watch over him with your healing hands Lord. Keep him Safe Lord. Keep him safe so that I can hold him once again.

INT. OPERATING ROOM- MOMENTS LATER

The operation is fully underway. A surgeon removes Oscar’s lung from the incision.

He stands close to his sons Jack and Tim. The Nurse walks out from behind the back room with the Lead Surgeon, who now wears fresh scrubs.

LEAD SURGEON
Wanda?

Wanda nods, and stands up.

LEAD SURGEON (CONT’D)
Oscar was shot, okay? We've stabilized him, but he's in critical condition. The bullet caused massive internal bleeding and we had to remove the right lung.

WANDA
His lung? How is he... How is he going to be able to breathe?

LEAD SURGEON
Well, his breathing isn't our concern. It's the bleeding. We're working very hard to get his blood to clot. But right now, his body isn't taking the transfusions.

(CONTINUED)
WANDA
But he's going to make it right?

LEAD SURGEON
Hard to say, but we're gonna do everything we can okay?

WANDA
Okay, okay. Please do whatever you can, okay? My son is a good boy.

WANDA (CONT'D)
Please do what you can. Please.

INT. ICU RECOVERY ROOM- MORNING- CONTINUOUS

Lines of blood trickle from Oscar's eyes, nose, and mouth. The Lead is now in the room and has taken over commands.

NURSE
Loosing a pulse.

Oscar's body begins to violently shake.

A young male RESIDENT DOCTOR, grabs the paddles, the Lead Surgeon touches Oscar's chest, we see under his skin is filled with fluid. He taps the Resident Doctor on the shoulder and shakes his head. He looks up at the clock.

LEAD SURGEON
Calling it. Time of Death 9:01 am.

He pulls off his mask, frustrated, and walks out. Oscar's convulsions stop. A morbid, continuous beep echoes from the EKG.

INT. ICU WAITING ROOM- DAY- MOMENTS LATER

The Lead Surgeon walks out, and Wanda is still in the circle praying. The Nurse goes over to her, pulls her aside.

Wanda approaches the Lead Surgeon with a hopeful look in her eyes. She reads his eyes for a beat.

The Lead Surgeon looks at her for a beat. And shakes his head. Wanda puts her face in her hands, her legs wobble. Sophina who was watching and listening closely sees this. She breaks down, buries her face in Oscar's hoodie.

Daryl and Ceephus run over to Wanda, just as he arrives, her legs buckle a bit, he catches her.

Oscar's friends begin to break down.

Wanda nods.

LEAD SURGEON (CONT’D)
How many of you will be coming down.

WANDA
Just me.

CEEPHUS
Wanda are you sure?

Wanda nods. Nurse looks at the Surgeon.

NURSE
I can take her down.

He heads towards the exit doors with Wanda.

INT. MORGUE HALLWAY- DAY- MOMENTS LATER
The Nurse walks Wanda through a long corridor.

INT. MORGUE- DAY- MOMENTS LATER
Wanda steps up to the glass and looks into it.

WANDA'S POV
The MORTICIAN pulls back a white sheet, and we see Oscar’s mangled Body lying on the slab.

WANDA
I told him to catch the train. I told him to catch BART! I didn’t know they were gonna hurt him. I didn’t know. I should have just let him drive. I should have let him drive. I wanted him to be safe. Please please let me hug him.
